

**IRON RIVER CITY COUNCIL  
WORKSHOP MINUTES  
TUESDAY MARCH 27, 2007  
1:30 P.M.**

The Workshop was called to order at 1:30 pm. in the Council Chambers of the Iron River City Hall, with Mayor Charlotte Soderbloom presiding.

Members present included Councilmen Ed Marcell, Tom Beber, Ray Coates, Roger Zanon, Mayor Soderbloom, City Manager John Archocosky and Deputy Clerk Kathy Anderson.

The new telephone system at City Hall was reviewed. Confidentiality is an issue for the Police Department, as they deal with sensitive issues on a daily basis. The Police Department and City offices will be on a totally separate system. Each voicemail will have a separate password, to ensure privacy for its users.

Cameras installed in the offices of the Clerk and Treasurer was discussed. Archocosky explained that the increasing need for security is the reason for implementing this new system.

Revenue Sharing cuts are also a concern. Due to our Cool Cities designation, Archocosky is hopeful we won't be affected.

The cost of health insurance was also discussed. A new BC/BS proposal is being prepared by Vince Rose of Employee Benefits for consideration.

The meeting was adjourned at 3:00 p.m. on a motion from Beber and support from Marcell.
