Public Service Announcement
City of Iron River
Mineral Hills-Forbes Location

There is a watermain break at the intersection of Lyle and Crose Streets. We have barricaded the immediate streets to “no passage” due to water over the road.

It is expected we will shut off the water to the entire area North of Mahoney Street beginning Tuesday, February 26th at 9 a.m. to repair the watermain.

You are advised to collect and store water for your daily use. The main could be off for six to nine hours.
